Climbing in the Dolomiti

Description

Climbing in the Dolomiti means awaken every day and have an incredible new faces to climb. Thanks to the quick approaches and to the almost infinite number of climbing lines inbetween you get to choose, it's possible to have several rock ways within few days.

You can choose the ascent by yourself or get advice by yut Alpine Guide for an unforgettable climbing stay.

A 3/4 days period is considered the basic one to fully enjoy those places, staying in exceptionally cozy hotels and lodges.

Depending on your level and on your preferences, each evening you'll pick an itinerary for the next day and even though you'll select the very best be reassured: on the next evening an even more magic ascent awaits for you
