# Gran Paradiso 4061 m

## Description

The Gran Paradiso, 4061 meters high, rises in the midst of the Gran Paradiso National Park and is, thanks to its simplicity and beauty, one of the ideal 4000mts to get closer to alpinism. Woods, alpine meadows, wild life and glaciers build up the schedule of this ascent that might be for many the baptism of the 4000 mts.
The ascent happens in two days sleeping at the Lodge Vittorio Emanuele or Lodge Chabot, both cozy and hospitable and located on different mountainsides. After the top you can hike back from the same path or hike a ring path descending to the Chabod lodge and getting a chance to discover the north ern side of the mountain

### Specific equipment:

Climbing harness, ice axe and crampons. In case of necessity might be handed by the

organization.

# Gran Paradiso 4061 m

The Gran Paradiso shortly surpasses the 4000 mts and that makes it the classical initiation 4000mts hike and also a great acclimatisation for future ascents.
