Snowshoes hiking

Description

Snowshoes hiking are one of the best possible ways to discover winter mountainside. In the last years there have been a huge boom of this amazing activity. Using snowshoes doesn't require particular any athletic skills but a healthy willingness to spend a couple of hours outdoors in the immaculate nature of the Alps.

A day snowshoes hiking is available to everyone, kids to more seasoned hikers.

The destination of the hikes can be requested by you or can be suggested by your Alpine Guide to lead you to discover new valleys and mountains.

Minimum number

Activity starts with a minimum number of 3 persons

Snowshoes hiking

Snowshoes are a tool very used by the man since ancient times to easily move on powder snow.

Wearing them you will "float" on snow and be able to hike to the discovery of the most enchanting nooks of the Alps.
