The Via Ferrata

Description

Contemplation , adventure. That's how we could define the hiking trail or 'ferrata'.

Contemplation because as you climb up, panoramic view and glimpses of the valleys and surrounding mountain tops are breathtaking. Adventure because the Hiking Trail is an amusing and adrenalinic journey that challenges those who'd like to engage with hanging bridges, passages in open walls and many passages peculiar of hiking trails.

The wide choice of itineraries, sprinkled between Liguria, Piemonte and Valle d'Aosta and France nearby, allows to cover hiking trails that are always new, in places that are different and rich of charm.

Specific equipment:

Harness with special kit, gloves and helmet. In case of necessity, everything will be provided by

the organization.

The Via Ferrata

The Via Ferrata is the first step to feel the inebriation of moving vertically. Those itineraries are equipped with cables and metal steps along rocky walls. A true amusing, yet adrenalinic challenge.
