Capanna Margherita 4554m

Description

Capanna Margherita rises on to of Punta Gnifetti, 4554 mts of high.

It is the highest lodge of Europe and this primacy allows it to be one of the most demanded spring destinations amongst alpine skiers.

Big glaciers and 360° landscapes make this a unique alpine ski ascent.

Never technically challenging, the Capanna Margherita can be the magnificent crowning of a ski season to be remembered for years to come!
