Climbing on the Monte Bianco

Description

The granite red of the Monte Bianco is a synonym for perfect rock and the Tacul satellites represent the ideal place to enjoy such rock.

On those granite towers, first of them all the Grand Capucin, run several itineraries, worldwide famous for their climbing beauty and elegance. A wide variety of itineraries make it possible to choose between easier ways, for example Bettembourg al Pic Adolphe, to upgrade until the miticalways like Voyage selon Gulliver al Grand Capucin.

You can climb the way you like the most or get advice by your Alpine Guide to discover enthusing itineraries on the perfect Monte Bianco's rock.
