Tour of the monviso

Description

Monviso Tour is a trip between valleys, hills and alpine lodges to discover different lights, colors and perspectives of a unique mountain.

For three days the Monviso will be a silent travel companion, accompanying us through paths that unravel its bottom between blossoming meadows, woods and mountain peaks over 3000 mts.

Starting from Valle Varaita, we'll hike in a loop the Monviso in counterclockwise sense, reaching a different lodge every night. For the two nights out our homes will be the Rifugio Quintino Sella and the Refuge du Viso, on the french side of the Monviso.

First day: start from Castello 1600 m (Pontechianale- Valle Varaita), Passo di San Chiaffredo 2764 m, Passo Gallarino 2727 m, arrival to the Rifugio Quintino Sella 2640 mts.

Second day: starting from Rifugio Quintino Sella 2640 m, Colle di Viso 2650 m, Lago Chiaretto 2261 m, Rifugio Giacoletti 2741 m, Colle delle Travesette 2950 m, arrival to the Refuge du Viso 2460 m.
