## Traverse of the Vallée Blanche

### Description

A day on the high heights, soaked in a unique environment in the world!!!

Depending on the conditions and on the number of participants, it will be possible to execute the traverse until reaching l'Aiguille du Midi, or moving on towards the glacier's valley of the Combe Maudit.

Juggling between crevasses and snow bridges, we'll spend a day in the hearth of the Monte Bianco, discovering the high mountain between history, environment and adventure.

**Specific equipment:**

Climbing harness, ice axe and crampons. In case of necessity might be handed by the organization.
